

# VOTE FOR CHANGE: ENHANCING YOUTH ENGAGEMENT IN EU PARLIAMENTARY ELECTIONS

## EU & ELECTIONS CONCLUSIONS:

### THE KEY ISSUES

#### Lack of awareness

Lack of education in schools about EU institutions, values etc., unclear for young people what the EU elections are about, difficult to relate.

#### Limited sense of EU citizenship

People born before the entrance of Cyprus in the EU can understand a bit the benefits that an EU citizen have, but for people born afterwards, they take for granted EU provide to them

#### Non-participation in EU elections

Most of them claim that they will vote but they are not yet sure who and why

## SOLUTIONS FOR OVERCOMING THESE ISSUES:

#### Better promotion

Better promotion of the EU and its values, way of work through social media

#### Improvement of educational system

Integration of EU classes in educational system through interactive and interesting material

THESE DATA ARE RESULTS FROM DEBATE FORUMS HELD WITHIN THE PROJECT.
